Happenings at Lakeridge

ARE YOU INTERESTED?
GREASE Theater Winter Haven
Sat July 30, 7:30 PM

Cost: \$ 37.50 approx. Seating limited. Please sign up, if you are interested in attending, so we can confirm. This play is quickly selling out. Car Pool.

LADIES OF LAKERIDGE: The LOL have chosen a special project to work on this summer. We will provide travel bags for foster children through Heartland for Kids. These bags are backpack style made with tarpaulin fabric.

The bags are the size of a small-medium suitcase. Each bag will be decorated with a unique iron-on patch so every child will have their “special” bag. Currently, most foster children move from home to home using a garbage bag to carry their personal belongings.

Our goal is to provide 20 unique bags for these deserving children. They will be purchased from IKEA at a cost of \$ 5.99 per bag.

ANY RESIDENTS WISHING TO PARTICIPATE IN THIS WORTHWHILE PROJECT MAY DONATE.

CASH donation only. Please deliver to Sharon Thigpen, Unit 705.

Your Social Committee is working to provide Social Activities for your enjoyment. We are open to suggestions so drop a note with your ideas to Cissy, 703 or place in slot at Russ’s office door.

All suggestions WELCOME!

We thank Terry and Joanne for organizing our recent breakfast at the airport when the electricity was off. Excellent buffet and great outing!

Terry and Joanne are our new Bingo Masters. We are planning Bingo once a month – 3 rd Thursday every month... 7 PM. This is not in the LR budget, so it is being financed (prizes and snacks) by individuals. Thanks to Joanie, Terry, Joanne, Cissy, Dale, Rick, and Bette for providing through June.

However, we need offers of snacks and Bingo prizes. If you participate, please help out so Bingo may continue on a regular basis. We are reviewing all possible options.

Your Social Committee has many volunteers that help with set up and take down.

Everyone’s efforts are greatly appreciated.

Summer 2022

Manager's Report

I want to thank all the residents of Lakeridge for their patience during the pool renovation project. I believe the 3-month downtime will be worth years of enjoyment. In my 20 years at Lakeridge, this is the best the pool area has ever looked.

The T-Mobile roof antenna installation is nearly complete. All the equipment is in place. T-Mobile will activate the antennas soon. I will be curious if any T-Mobile customers in the building have better service, let me know.

Elevator Update: The elevator motor is scheduled to be repaired on Tuesday June 28th .

Coming soon: A new lamp post will be installed near the north dog waste station.

Look for our next edition by September 30, 2022
